Teacher Day Celebration-2K23

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future.

In the program B.E. students were given opportunities to teach the TY and SY students. 10- 12 students conducted the offline classes for the students covering the important subjects like MT, HT, Process Calculation, Pumps etc. Students cleared their doubts & the lectures were of great importance to the SY and TY students.

A celebration conducted at our department by our students on 5th September 2023 at new seminar hall. The whole function was planned by ChESA members with faculty co – coordinators. We decided that we honour the teachers by giving them flower as the token of gratitude and respect for their service towards the college.

Miss Sanika Bailskar and Miss Sufia were the speakers who welcomed the faculty members during the event and also helped in smooth conduction of the event. Dr. K. I. Patil H.O.D. of chemical department delivered a speech on importance of teachers day and thanked the entire council body for arranging the lectures for SY, TY & Final year students. He also thanked the B.E. students who took upon the role of teachers.
