

## **English & Marathi & Hindi Poem writing Competition (Creative Writing):**

Poetry writing helps people discover who they are. It helps individuals stay in tune with their thoughts and feelings. Through writing, a person can find out more about their personality, likes and dislikes; passions and interests. Poetry is also a good way to express opinions on certain issue. Hence creative poem writing competition was organized on 26<sup>th</sup> June 2022, (English) and (Marathi) respectively. All together around 23 students took part. The winners are:
