

First Year Engineering Students' Association (FESA) **Academic Year 2023-24**

For the Academic Year 2023-24, the First year Engineering Students' Association (FESA) committee was formed during the Second week of September 2023.

(12/09/2023) and the Activities organized so far are stated below:

Sr. No.	Roll No	G	Name of the Student	Designation
1	403	*	Bhosale Poorva Suresh	President
2	848		Salunkhe Avadhut Balkrishna	
3	528	*	More Manasvi Sambhaji	Vice President
4	551		Sakunde Om Sanjay	
5	730	*	Munde Ashvini Sanjay	Secretary
6	760		Shinde Rajkiran Ravindra	
7	125		Kekare Vrushabh Vishwas	Treasure
8	827	*	Nagavkar Shivani Bhimrao	
9	138	*	Patil Pranali Ramchandra	Member
10	204	*	Deshmukh Janhavi Pravin	Member
11	208		Gaikwad Harshvardhan Satish	Member
12	349	*	Sabale Samruddhi Sunil	Member
13	358		Thombare Abhijit Rajendra	Member
14	460		Dambe Sujal Pandurang	Member
15	621		Kotmale Tanishq Sahadev	Member
16	633	*	Niruke Rutuja Mahadev	Member

Proposed Events in Academic Year - 2023-2024

Sr. No.	Name of the Event	Month	Event Coordinators
1	FESA Committee Formation	2nd Week, Sept . 2023	HoD, F.Y.B Tech Chief Coordinator, Faculty Advisor & Class Coordinators
2	Teachers day Celebration	1st Week, Sept. 2023	Dr. Mark Monis, Mr. G. B. Kamble & Mr. K. M. Patil
3	Elocution Competition in English	1st Week, Sept. 2023	Dr. Mark Monis & Mr. K. M. Patil
4	Technical Quiz Competition	2nd Week, Sept 2023	Mr. I. A. Mursal, Dr. Mark Monis & Mr. K. M. Patil
5	FESA Inauguration Function & Guest Lecture	1st Week, Oct. 2023	HoD, F.Y.B Tech Chief Coordinator, Dr. Mark Monis, Dr. A. V. Patil & F. Y. B. Tech Faculty
6	English Essay writing Competition (Creative Writing)	2nd Week, Oct. 2023	Mr. K. M. Patil, Dr. Mark Monis & Mr. G. B. Kamble
7	Creative Writing (Poem) Competition (English & Marathi)	3rd Week, Oct. 2023	Mr. G. B. Kamble, Mr. K. M. Patil & Dr. Mark Monis
8	Poster & Rangoli Competition	4th Week Oct. 2023	Dr. Mrs. S. B. Patil, Mrs. J. M. Khade Dr. Mark Monis & Mr. D. S. Mane
SEMESTER - II			
9	Group Discussion	3rd Week, Dec. 2024	Dr. Mark Monis & Mr. G. B. Kamble, Mr. K. M. Patil
10	Guest Lecture on Soft Skills	1st Week, Jan. 2024	Mr. K. M. Patil, Mr. G. B. Kamble, Dr. Mark Monis & Dr. A. V. Patil
11	Valedictory unction	2nd Week, March, 2023	HoD, F.Y.B Tech Chief Coordinator, Dr. Mark Monis, Dr. A. V. Patil & F. Y. B. Tech Faculty

The inaugural Function was held on 12/02/2024

1. “Motivational Talk” By Mr. Gurudatta Joglekar (Eloquent orator)

The inauguration function began with the lighting of a lamp at the gracious hands of Hon. Mr. Gurudatta Joglekar, An Eloquent speaker & orator, Dr. S. V. Anekar, Principal TKIET, Dr. P. J. Patil, HOD and Dr. D N Mane, COE, admission In- charge, Dr. A. V. Patil, FESA faculty Advisor Dr. Mark Monis, FESA student Presidents Mr. Avadhut Balkrishna Salunkhe and FESA student Vice President Ms. Manasvi Sambhaji More. At this grand event, we also got to interact with former FESA President 2K22-23 Mr. Shriram Shreyas Dadasaheb who motivated all FESA

Members to work in unity, after which FESA President Mr. Avadhut Balkrishna Salunkhe introduced all the FESA Members to the dice and felicitities them with the roses. Mr. Gurudatta Joglekar interacted with students and focused on the various career prospects in the education sector. He also discussed the current and past status of the Academic activities and gave some motivational tips to first-year B.tech. Students for their future study, his main motive of talk is to create awareness in students to do something different and help to break the MATRIX. More than 350 first-year B.tech. Students attended the lecture in Vinay Kore Krida v Sanskrutik Hall and obtained valuable information and knowledge from a guest talk. Such an astonishing event was completed with a vote of thanks by FESA Vice-President Ms. Manasvi Sambhaji More and the refreshments as the lassi enjoyed by all the students.

Elocution Competition

Name of Activity Conducted: Elocution Competition in English (on the occasion of Teachers day Celebration)

Date and Time: 5th September, 2023. (11.30 am to 1.00 pm)

Type of Activity: Public speaking Competition

Target audience/ participants: First Year B.Tech. Students

Theme of activity: Opportunity to present ones ideas before the audience and for confidence building (Organized by FESA)

Name of chief guest(s)/Judge(s): Dr. M. S. Dhuttargaon (Mech) and Prof. Krishna B. Patil (ASH)

Summary of Activity: On the Occasion of **40th Foundation of TKIET** as well as Teachers Day celebration Elocution competition in English was organized by First Year Department 5th September, 2023; which witnessed a remarkable display of eloquence and communication skills from participants across the different divisions. Elocution, the art of clear and expressive speech, was the focus of this competition, and participants showcased their

abilities to captivate the audience with their words. **Around 26 students** of F. Y. B.Tech took part in the competition. The objective was to give an opportunity to the students to build their confidence, stage daring, presentation skills, verbal and non verbal communication skills as well as to present their point of view, ideas and information on wide variety of subjects.

Event Highlights:

1. **Varied Topics:** Participants were given the freedom to choose their topics. This allowed for a broad spectrum of themes and opinions to be expressed during the competition. They are:
 - **Need of Women Empowerment**
 - **My Vote My Future**
 - **Role of youth in General Elections**
 - **Impact of Technology on Health**
 - **Impact of social Media on Self esteem**
 - **Cooperative movement in Warana**
2. **Judges:** A panel of experienced judges, evaluated the participants based on various criteria, such as content, subject knowledge, body language, delivery, poise, and overall impact. Their expertise added credibility to the event.
3. **Impressive Speeches:** The competition showcased a high standard of oratory skills, with participants displaying confidence, articulation, and a strong command of language. Some speeches were deeply moving, while others were thought-provoking and informative.
4. **Encouraging Atmosphere:** The audience played a crucial role in creating an encouraging atmosphere. Applause and cheers echoed through the hall, motivating the contestants and enhancing the overall experience.
5. The success of this competition is a testament to the value of nurturing communication skills, and it is hoped that such events will continue to inspire individuals to hone their elocution skills in the future.

It was coordinated by **Dr. Mark Monis** & and student event coordinators **Ms. Rutuja Niruke & Ms. Manasvi More**. The competition was adjudicated by Dr. M. S. Dhuttargaon (Mech) and Prof. Krishna B. Patil (ASH).

Result of Elocution Competition

Rank	Name of the Students	Division
I	Niruke Rutuja Mahadev	F (Roll - 633)
II	Shimpukade Atharva Gajanan	E (Roll - 558)
III	Gurav Aishwarya Dhananjay	F (Roll -613)

Creative Writing Competition: Oct. 2023/24

1. English Poem Writing Competition :

Poetry writing helps people discover who they are. It helps individuals stay in tune with their thoughts and feelings. Through writing, a person can find out more about their personality, likes and dislikes; passions and interests. Poetry is also a good way to express opinions on certain issue.

Hence creative poem writing competition was organized on 12th October 2023. All together around **07** students took part. The winners are:

1. English Poem Writing:

Rank	Name of the Students	Division
I	Dhenge Sanika Subhash	D (Roll - 407)

English Story Writing Competition (Creative Writing):

Story Writing is a fictional writing method that is written in a simpler way and has its own natural flow. Story Writing covers five elements: Character (Crucially a Protagonist and Antagonist), Setting, Plot, Conflict, and Theme. It helps in improving imagination power, expression and flow of thoughts.

Hence creative story writing competition was organized on 12th October 2023. All together around **16** students took part. The winners are:

2. English Story Writing:

Rank	Name of the Students	Division
I	Dhenge Sanika Subhash	D (Roll - 407)
II	More Manasvi Sambhaji	E (Roll - 528)

3. English Essay Writing Competition (Creative Writing):

Essay writing promotes critical thinking whereby one can reflect on an issue and reach a conclusion. It pushes students to assess different arguments so that they can come up with stronger positions. Through critical thinking, students learn how to observe different perspectives and views.

Hence creative essay writing competition in English was organized on 12th October 2023. All together around **13** students took part. The winners are:

English Essay Writing:

Rank	Name of the Students	Division
I	Patil Ishani Shivanand	G (Roll - 736)
II	Mokashi Rupam Ramchandra	F (Roll-630)

Marathi

1. Marathi Poem Writing

Rank	Name of the Students	Division
I	Kumbhar Sahil Ramchandra	E (Roll - 522)

2. Marathi Essay Writing

Rank	Name of the Students	Division
I	Bhosale Sakshi Niwas	H (Roll - (803)
II	Dhenge Sanika Subhash	D (Roll - 407)

3. Marathi Story Writing

Rank	Name of the Students	Division
I	Shinde Krishna Gundu	A (Roll - 152)
II	Sonawane Anuradha Bandu	E (Roll - 560)

Guest Lecture on "Nasha Mukat Bharat" Campaign at TKIET

"Nasha Mukat Bharat" Campaign at TKIET

The "Nasha Mukat Bharat" campaign was launched at TKIET College with the primary objective of addressing the growing concerns related to substance abuse and addiction within our educational institution. This campaign was designed to create awareness, provide support, and empower our students and staff to combat substance abuse effectively. The campaign at TKIET College commenced with a series of awareness. These included seminars and interactive sessions led by experts and counselors. These sessions aimed to educate students about the dangers of substance abuse and addiction and equip them with the knowledge to make informed choices.

The campaign featured guest speakers and expert talks on addiction prevention and recovery. **Ms. Rashmi Mam**, provided valuable insights and strategies for combating substance abuse, helping to break the stigma surrounding this issue. Students actively participated in discussions, shared their experiences, and learned how to recognize and support their peers who may be struggling with addiction. This collaborative environment fostered empathy and understanding.

The "Nasha Mukat Bharat" campaign at TKIET College has left a lasting impact on our educational institution. It has raised awareness about the dangers of substance abuse, encouraged students to make responsible choices, and provided resources for those in need of support.

Looking ahead, TKIET College is committed to continuing its efforts in creating a substance-free environment. We plan to organize follow-up programs, support groups, and maintain our dedication to building a healthier and safer community.

The "Nasha Mukat Bharat" campaign at TKIET College has been a pivotal step in promoting a substance-free lifestyle among our students and the surrounding community. This initiative is an embodiment of our commitment to creating a healthier and safer future for all. We believe that through continued awareness, education, and support, we can make a substantial contribution to the vision of a "Nasha Mukat Bharat."

Report on Guest Lecture on Career and Skill Development

Topic of the lecture: Awareness about the importance of career and skill development

Date and Time: 17th January, 2024 (10:15 am to 11:15 am and 12:15 pm to 01:15 pm).

Target audience / participants: - First Year B Tech Students

Name of the Chief Guest: -Dr. Suhas Pakhare, B.Com. M.B.A.

Summary of Activity: -Department of Applied Sciences and Humanities under FESA organized a guest lecture on Career and Skill Development for First Year B.Tech students to create awareness about the importance of career and skill development.

At the outset the lecturer introduced himself and shared some anecdotes from his professional life, and gave emphasis on loyalty, honesty, sincerity and good work ethics by citing his own examples. He also told how he struggled through his life from a small town to working for top companies.

Then he asked a few questions to students regarding academics and told the importance of positive attitude, good communication skills and personality development. He urged students to attend all the classes regularly, and also about how to study by giving our hundred per cent. He further said that students should not depend on just Google, rather they should visit library frequently and also have an interaction with their teachers to clear their doubts. He also focused on the significance of CGPA and how it matters at the time of interview.

There were around 140 students present for the lecture. The guest lecturer was introduced by Dr Mark Munis and the session was coordinated by Dr. P J Patil (HOD F.Y. B.Tech). Vote of thanks was proposed by student Niranjankumbhar.

Today morning we had a Guest lecture and Today's guest was none other than Dr.Suhas Pakre Sir. Such a dynamic personality. Initially he gave a brief introduction of himself. He told his journey from a small village in Solapur District to a MNC. The way he overcome his difficulties was so inspiring. He also put a light on different qualities like how u must be loyal in your work ,how you should give your best in any work you do.He also made us aware about the CGPA and its importance in a student's life. He also made us aware about the qualities like a honesty, attendance in college, sincerety, concentration in studies and personality development. He ended the session by the phrase I.e.'PEOPLE PRAISE YOU,PEOPLE RAISE YOU'.Overall the session was energetic and helpful for all .

Report on Galactic Fusion E-Sport Championship at TKIET Campus

Date:-05/03/2024

The Galactic Fusion E-Sport Championship, organized by the First Year Engineering Student Association (FESA), took place at the TKIET campus on 16th and 17th February 2024. The event showcased intense competition in two popular mobile gaming titles: Free Fire and Battlegrounds Mobile India (BGMI). The event was the blend of competitive gaming, camaraderie, and sportsmanship, attracting participants and spectators alike from far and wide. With the support and coordination of various faculty members and officials, the championship witnessed more than 150 enthusiastic participations from gaming enthusiasts across the campus.

Event Highlights:

Day 1 (16th February 2024):

Free Fire Solo Matches: The competition kicked off with thrilling Free Fire solo matches, where individual players showcased their skills and strategies.

BGMI Solo Matches: Following the Free Fire matches, participants engaged in intense battles in the BGMI solo category, displaying exceptional game play and tactics.

Day 2 (17th February 2024):

Free Fire Squad Matches: The excitement continued on the second day with Free Fire squad matches, where teams collaborated to outplay their opponents in strategic team-based game play.

BGMI Squad Matches: The championship concluded with exhilarating BGMI squad matches, where teamwork and coordination were paramount for victory.

Distinguished Guests:

The event was graced by the esteemed presence of Dr. S. V. Anekar sir, Principal TKIET, Dr. P.J. Patil sir, HOD, Dr. Marku Monis sir, FESA Advisor, Dr. A.V. Patil sir, Admission in-charge. Their presence and support added to the ambiance of the event, encouraging participants and contributing to the overall success of the championship.

On behalf of TKIET and the FESA committee, we extend our heartfelt gratitude to Principal Dr. S.V. Anekar sir for his unwavering support and encouragement throughout the event. Dr. P.J. Patil sir for his valuable guidance and presence, which enriched the championship. Mr. A.V. Patil for his support as Admission In-Charge, contributing to the smooth execution of the championship. Dr. Marku Monis sir for his expertise and dedication as the FESA Advisor, which played a pivotal role in the success of the event, and all FESA members for their relentless efforts, coordination, and support in making the Galactic Fusion E-Sport Championship a resounding success. The championship wouldn't have been possible without the collective effort and dedication of everyone involved. We look forward to future collaborations and endeavors in the world of E-Sports.

Winners List.

TECHNICAL-QUIZ COMPETITION

Date: 15th Sept. 2023

On the occasion of Engineers' Day Celebration on 15th Sept. 2023, FESA organized Quiz Competition for First Year Engineering Students. In total 92 students registered online and 65 students attended Quiz Competition. The Test was based on technical, aptitude and science. There were 30 questions of 30 marks and time was given 45 minutes.

The Technical Quiz, was an engaging and competitive event designed to test the knowledge and skills of participants in various technical domains. The quiz aimed to challenge participants' problem-solving abilities, critical thinking, and their understanding of technical concepts.

All the registered participants took part in a written test comprising multiple-choice questions (MCQs) covering a wide range of technical topics. The questions were meticulously designed to challenge the participants' understanding of fundamental concepts, as well as their ability to apply this knowledge to solve complex problems.

The Technical Quiz was a resounding success, promoting healthy competition and enhancing the technical knowledge of all participants. It provided a platform for students to showcase their technical prowess. The top three participants who scored the highest points received prizes and recognition.

We extend our gratitude to all participants, and organizers who contributed to the success of this event. We look forward to hosting more such engaging and enlightening technical events in the

future too.

22 August 2023

Guest Lecture: Building Engineering Mindset: *Speaker: Mr. Vishwajit Kashid*

Today we had a seminar on Developing Engineering Mindset. The chief guest of our today's seminar was Mr. Vishwajit Kashid, something we got to know about him is that he is a God will Ambassador for platelets even he has a World record for donating the platelets for 184 times going with his education he is a Computer engineer passed out from PICT Pune having a Gold medal at Pune university. He is also a International speaker he has travelled around 7 different countries for having seminars on different topics. He spoke with us about how A.I. is worked, what is robotics and all the specialization in the future developing world. He also share his lots of experiences with us even he had so many interactions with us like fun games. Interactions with so many students especially the sportspersons, guided us for what are the future opportunities for us waiting after we complete our graduation. We had so friendly conversation with him we really enjoyed his session a lot at last but not the least we learn a lot of things from him and we understand that, "Where there is Will there is a Way!"

Guest Lecture

Startup Initiative - *Speaker: Prof. Prasanna Karamarka Asst. Prof. Dept. of Comp. Sci. Shivaji University, Kolhapur*

23 August 2023

Today we had another seminar on Startup Initiative. The chief guest of this seminar was Mr. Prasanna Karmadkar. He is one of the person who has completed his BCA MCA and M. Phil. He is so well known personality; he even before conducted so many seminars in IIT, NITs and most of the renowned Institute and University. He was the one who gave us the 10 most

important rules of life. We had so many interactions with him, he was the one who was speaking so practically with his lots of experience even he shared some of those experience with us also, in common we had so many interactions but he separately took separate interaction with girls he had lots of interactions with girls on so many topics like social issues, any education field or any society related and even more about what girls can do ahead after graduation and many others. Definitely we enjoyed his session a lot we got to know so many things from him. He is the wonderful personality we met today.

24 August 2023

Guest Lecture: Discover yourself and building confidence:

Mr. G. George, the founder and CEO of Shashwatgyan, Pune

Commitment, Conviction, Consistency, Attitude, Skill, Value, Qualification, Career & Human values these 9 valuable words are going to stay with me forever in my life. These words have so deep meaning and we got to know this today by Mr. G. George the CEO and founder of Shashwatgyan, Pune who was going to speak about today's topic Discover yourself and building confidence . What a powerful, strong, experienced person he was. His words were having so deep meaning and the way he was telling us touched our heart so rapidly. He told us lots of things how to Vision your career, how to build your career, how to bring your goals and ambition into reality, how much efforts you have to put in yourself, and whatever you do in your life you have to do it for your parents. Today we saw such personality who build his career from the age of 16 and now he is the person who confidently, strongly, gracefully tell us how to work on our career. Our whole career depends on how much efforts we put to achieve that. We had discuss a lot of topics in first session. In second session he told us about the 8 morals of life. How to implement those 8 morals in our life. When he was speaking we can feel that guts, emotions, and will to do something in life. We saw such personality who builds his career in such a way that he can guide many of the students to vision in different way. He shared some of his life experience also. The most important thing we learned in this session was to set our goal

and with that to set the duration and struggle and do hard work to achieve that goal of your life. His words had so powerful impact on us to change our life. We learned a lots of things in this session about career, moral values and many others. I believe each and every student sitting in the auditorium well definitely CHANGE himself or herself.

25 August 2023

Guest Lecture: Dr. K. B. Patil, Shivaji University, Kolhapur

Today on discussion of New Education Policy - 2020 we had a special guest Dr. K.B. Patil who is the member of Shivaji University, Kolhapur and the one who council the students for the career and takes many of the seminars to guide and tell about our new education policy. He so sorted by told us about the new education policy. Like how it works, on what basis or purpose it is designed, what things are needed to change further, even how does students and teachers need to understand and adjust with the new education policy. The most important concept he told in his seminar was that, "Learn, unlearn and relearn". He conducted games and practically told us how to implement these new education policy rules in our education. There were so many concepts in the new education policy which he told us how to grab it and implement it in our

educational field. It was so educational based and little interesting seminar was. We got to learn so many things from this seminar and we liked it.

Defence Career for Engineers: *Speaker: Maj. (Retd)*
27th August 2024

Last seminar of the week on Defense Career for Engineer's. Director of AFPI, Kolhapur conducted this seminar. Maj. (Retd) C. V. Kulte respected officer took this seminar. Telling about him he is passed out from OTA, Chennai in 1996. He served one of are respected armed force that's Indian Army. He was also the part of Kargil war during that time. He retired in 2005 as a Major. After that he work with many of the organizations who educates students to serve armed forces. He took rally in Marathwada area and many other programs also. Under his guidance more than 250 + students joined armed forces. Today he told how a normal student can live a disciplined, ordinary, courageous and adventurous life. Gave us lots of information related to armed forces. What is the age criteria, which exams needed, how to study and most of the point he covered in his seminar. Not even only boys but how girls can also contribute to armed forces. He was one of the Fire full person we met today. The way he explained us from that point of view each one will definitely think of joining armed forces.

"If you want to become a successful person you should follow right time at right place with right dress! " was one of his brave line he share with us.

Not only today but we enjoyed and learned many more things from this week of seminars. Definitely all the seminars would impact our academic and future life. We learned a lot of things and we will definitely implement these things in our daily life.

Valedictory function Yet to be conducted
