

Workshop on Discover yourself and Confidence building

Type of Activity – Skill enhancement for professional career

Target audience / participants:- First Year B.Tech student

Theme of activity: Enhancing personality development.

Date and Time: 16th to 18th March 2023

Name of Resource person:- Mr. G. Geroge, the founder and CEO of Shashwatgyan, Pune

Objective: The skill development workshop aimed to equip participants with practical skills essential for personal and professional growth in today's dynamic environment. Through interactive sessions and hands-on activities, the workshop aimed to enhance participants' abilities and empower them for success.

Outcomes of the workshop:

Enhanced Communication Skills: Participants improved their ability to articulate ideas, actively listen, and communicate effectively in various settings.

Strengthened Leadership Skills: Participants gained insights into effective leadership practices and strategies to inspire and motivate teams.

Improved Time Management: Participants learned practical techniques to prioritize tasks, manage time efficiently, and achieve better work-life balance.

Enhanced Problem-Solving Abilities: Participants developed critical thinking skills and learned approaches to tackle complex problems with confidence.

Increased Confidence and Motivation: Participants left the workshop feeling more empowered, confident, and motivated to pursue their personal and professional goals.

Conclusion: The skill development workshop was a resounding success, providing participants with valuable insights, practical skills, and inspiration for personal and professional growth. By fostering an interactive learning environment and offering expert guidance, the workshop empowered participants to navigate challenges, seize opportunities, and excel in today's competitive landscape.
