3) What additional activities should be conducted for the holistic improvement of the Ward?

- Variety of events and functions should be conducted
- Individual attention should be given to each student for the better academic performance
- As per education policy all activities should be organized
- Opportunities should be made available for slow learners
- Regularly problems of students should be resolved

6) Do you feel that parent meet is beneficial for parents? How?

- All parents say parents meet is beneficial. It is helpful to monitor a ward regarding ones academic and co-curricular progress
- Due this meet communication between parents and teacher will improve
- Parents meet is helpful to understand and solve problems between college and students.

### Suggestions by parents:

- **Prathmesh Mohite:** Most of the students come from rural background so are unable to communicate in English. So something additional should be done to enhance their English communication skills.
- **Sambhaji More:** Students should be encouraged to actively participate in sports and other extracurricular activities.
- **Mahavir, Shirala:** More time should be allotted to sports practice in the evening.
- **Dagadu Phadake:** Students should be guided properly to have more constructive growth.
- **Snehal Chormare:** The evening timing of the library should be extended.

The program was anchored by Mr. Krishnat M. Patil. Finally the meeting ended with a vote of thanks proposed by Prof. S.S. Mahadik, Coordinator of the event. A lunch was organized for all the parents and faculties after the meeting.
