

INAUGURATION of MESA for AY 2024-25

The inaugural ceremony of the Mechanical Engineering Students Association (MESA) was held on 7th October 2024 at 11.30am in the Seminar hall of Chemical Engineering Department.

The primary objective of the inaugural ceremony was to formally introduce the new office bearers of MESA and highlight the goals and activities planned for the upcoming academic year. The event also served to encourage student participation in various technical and extracurricular initiatives.

The ceremony was blessed with a gracious presence of Mr. B. S. Shimpukade, Chairman & Managing Director of Shimpukade Group of Companies, MIDC Gokul Shirgaon Kolhapur. The dais was cordially shared by Dr. V. V. Karjinni, CEO of Shree Warana Vibhag Shikshan Mandal, Warananagar, Principal Dr. D. N. Mane, Dean SETM, Dr. S. M. Pise, Head of Mechanical Engineering Department, Dr. P. V. Mulik, Departmental Academic Coordinator, Prof. G. S. Kamble and Faculty Advisor of MESA, Prof. S. M. Gidaveer.

The Honourable Chief Guest along with all the Dignitaries on the dais lit the Holy lamp as a mark of blessings of Goddess Sarasvati and the beginning of the Ceremony.

The President of the function Dr. V. V. Karjinni began his address with a huge appreciation of Mechanical Engineering Department for having all its Admission Seats filled up for the academic year 2024-25. He also talked about the Education system and Corporate world and how communication skills and soft skills are important for the later. He encouraged the students to develop the skills like Stage courage and various Soft skills.

Prof. S. M. Gidaveer briefly introduced the Association to the Dais and the audience. He highlighted the importance of MESA and their activities, achievements of MESA and announced the main office bearers of the academic year 2024-25. He announced Mr. Karan Chavan is the president of MESA for the academic year of 2024-25.

Dr. P. V. Mulik briefed about various Departmental activities, achievements, and Research Activities and Publications by faculty.

Dean of School of Engineering Technology and Management Dr. S. M. Pise, highlighted IDEA Lab proposal and Ready Engineer Project and conveyed his best wishes to the Association.

Principal Dr. D. N. Mane, underlined the importance of Association and encouraged the students to participate in various activities it conducts.

A key highlight of the ceremony was the address by the Chief Guest, Mr. B. S. Shimpukade, who delivered an insightful speech on "Industry Expectations from Mechanical Engineering Graduates." He encouraged students to actively participate in workshops, attend guest lectures by industry leaders, and engage in technical competitions. He also inspired them to pursue entrepreneurship. Mr. Shimpukade urged students to embrace values such as humanity, ethics, morals, and spirituality in their lives. He emphasized the importance of cultivating good habits, respecting one's own words, and appreciating others, noting that these qualities are essential for becoming a successful engineer or entrepreneur.
