## Department of Mechanical Engineering

### One week workshop on AVEVA PDMS

**Background:** PDMS (Plant Design Management System) as it is known in the 3D CAD industry, is a customizable, multi-user and multi-discipline, engineer controlled design software package for engineering, design and construction projects in offshore and onshore.

Mechanical Department organizes different workshops throughout the year to impart the skills required by industry. Such workshops reduce the gap between academics and industry requirement as well as reduce the learning curve of employed students. A workshop based on AVEVA PDMS was offered to final year students.

### Workshop Details:

- The workshop was conducted in 7 days starting from 4/March/2021 to 10/March/2021.
- Inauguration of the program was done by Principal Dr. S.V.Anekar in presence T.P.O, H.O.D, AC, TPC's, Faculty and student participants.
- Program continued with the address of Principal Sir for participants, highlighting the importance of 3D software in today's world.

### Resource Person for the training program:

(In House Faculty of Mechanical Dept.)

Dr. M. S. Dhuttargaon

Prof. S. V. Lingaraju

Prof. M. S. Sawant

Prof. P. V. Kamble

**Department of Mechanical Engineering**

**Student registrations**

Department	Registrations
Mechanical	40

**Program Schedule and Content:**

**4/March/2021 to 10/March/2021.**

Day	Topic
Day 1	Introduction to & importance of PDMS
Day 2	Equipment modelling
Day 3	Exercise on Equipment Modelling
Day 4	Pipework modelling
Day 5	Exercise Pipework modelling
Day 6	Structural modelling
	Drafting
Day 7	Exercise on Structural modelling and Drafting

Program Coordinators

Dr. M. S. Dhuttargaon

Prof. S. V. Lingaraju

Prof. M. S. Sawant

Prof. P. V. Kamble

Academic Coordinator
