NCC Activity

Tree plantation activity by NCC cadets

A tree plantation drive was conducted on the hill of Bacche Savarde, jointly organized by the NCC and NSS departments of Tatysaheb Kore Institute of Engineering and Technology (Autonomous), the NCC department of Yashwantrao Chavan Warana College, and Smt. Bha. Ra. Yadav High School, Savarde. The hill is known as the lungs of Savarde village. The students of the high school prepared the pits needed for planting the saplings in just two hours. Various indigenous species such as Banyan, Peepal, Neem, Beheda, Fig, Jamun, Tamarind, and Kadamba were planted with the help of students from both the college and the school. The students of Savarde High School have taken the initiative to nurture the planted saplings. The school teachers stated that they would name each tree after a student and take care of it like a small child for five years. For the tree plantation drive a guidance received from Dr. Vinayrao Kore, President of Warana Industries and Education Group, and Dr. V. V. Karjinni, Chief Executive Officer of the Warana Education Department. During the event, Dean Dr. S. M. Pise, Deputy Principal Dr. D. N. Mane, Associate NCC Officer Lt Prof. Ranjit Naik, Cpt Dr S. S. Khot, Prof. Ganesh Kamble, Prof. Varvante, Prof. R. G. Kshirsagar, Prof. Lt. Mrs Gaikwad, Prof. Mrs Savitha, P.R. Patil from Savarde High School, Anna Patil, Gurav Sir, Peon Appa, students, Dr Ankush Yadav, Mr Mahesh Bacche, Mr Suresh Malkar, Police Patil Sagar Yadav were present.

Some Glimpses of the Event
