Research & Development Cell Meeting

Venue: Principal Cabin

Time:2.30 P.M.

Minutes of Meeting:

1. Initially new members of Research & Development committee appointed after conferment of autonomy were welcomed by Principal
2. Importance of Ph.D. was discussed by Principal and need to encourage faculty was discussed.
3. It was decided that Ph.D. pursuing faculty should present their progress in front of the department once in 6 months.
4. Every department should have as many Ph.D. guides as possible with students pursuing doctorate degree under their guidance.
5. All Doctorate faculty should submit application for Ph.D. guideship
6. All faculty should register for Ph.D.
7. Mail should be send to all HOD's regarding research sensitization scheme for students and request them to choose one project for this scheme.
8. Workshop should be organized for creating awareness and guiding faculty about publishing articles in reputed journals.
