**Department of Chemical Engineering**

**PTA Meet Report (S.Y.B.Tech. & TE)**

**Academic Year: 2019-20 (Sem-II)**

---

**Date: 15/ 02/2020**

The PTA meet for S.Y.B.Tech. and TE chemical engineering students was conducted in chemical engineering department on 15/02/2020. For this meet SE and TE Chemical engineering student's parents from various places attended the meet. Welcome speech was given by Prof. N.S. Patil. Function was presided over by Principal S.V.Anekar. The chief guest for this meet was Mr. Dattatray Tananage an industrialist, from Ichalkaranji who was parent of one of our SE chemical student, Prajawal Tananage. The function was started by felicitating the chief guest, Principal and HOD of Chemical Engg. Department. Prof. N.S.patil coordinator of the PTA meet told the objective of the PTA meet. Then Principal S.V.Anekar focused on three points dedication, devotion and determination for the success of the students.

Miss Dinde Raveena Maruti got First ISTE-IPCL national Award for best M.Tech. Thesis in "Process for the Synthesis in Para-Hydroxybenzoic Acid" guided by Prof. P.J.Patil. Omkar R. Jangam and Abhijeet S .K ale received the Kerala Government Engineering Design National Award for the project "Manufacturing of Natural Pesticide from Waste Seeds", guided by Prof . N.H.Shinde, both of these project guide along with students were felicitated

Then all the rankers from SE ,TE,BE and campus placed students are felicitated along with their parents.

Prof. K.I.Patil who is department training and placement coordinator told that 33 students of final year chemical engineering students are placed in various reputed companies. He also focused on facilities in the department like Aspen plus software and various course conducted by the department for overall development of the students. The TPO Prof P.J.Patil told that the third year students should go for the training in various reputed companies like RCF,Black and Veatch etc.After this parents are requested to give their expectations from the department and college. Some parents told that they are very much satisfied by the teaching learning process and the activities conducted by the department for overall development of the students. One of the parent also told that the courses conducted in the department,industrial visits arranged by the department and other other activities should be conveyed to the parents.HOD Prof . S.T Patil Sir gave answers for the points raised by the parents. He also focused on the poor attendance of final year students . He told that the students must attend the classes regularly in order improve their academic standards.The meet was concluded and the vote of thanks was given by Sahil Dhekale a student from S.Y.B.Tech Chemical..

Prof. N.S.Patil

Coordinator  
PTA Meet.

**Address by HOD to Parents**

**Felicitation of Campus selected Student and Parent**

**Felicitation of HOD by PTA Coordinator**

**Felicitation of Principal by TPO**
