US Delegates Visit on March 5, 2009

A delegation comprising of Dr. Paul Plotkowski, Dean of Padnos College of Engineering & Computing and Dr. Paul L. Stephenson, Unit Head Department of Statistics, College of Liberal Arts & Sciences of GVSU visited T.K.I.E.T. on March 5, 2009. They conducted a Programme on **"Opportunities for MS & Post Graduation in Grand Valley State University USA, for Final Year Students"**.

A meeting with the management was arranged in the presence of Shri G. D. Patil, Secretary - Shree Warana Vibhag Sikshan Mandal Warananagar, Dr. V. V. Karjinni - Principal, Dr. S.S. Joshi - Vice Principal, Shri D. S. Thombare - Registrar, HOD's of all the

Departments & Prof. G. V. Mulgund -TPO. There was a presentation of TKIET, Warananagar followed by GVSU presentation encouraging BE students for further studies in USA.

During the dicussion both the Institutes decided to make use of their own research strength and experiences to contribute to the ongoing process of quality education to achieve sustained development. Both the institutes agreed to work on areas like Deputation of students and faculty for MS and Ph.D. programs, Training programs for students in specialized areas, Faculty Exchange programs, Joint/collaborative research programs and so on. The visit was organized through the instrumentality of Mr.R.H. Birje an Entrepreneur and Engineer, Pune.

TKIET Welcomes the Delegates from GVS, U.S.A

Dr. Paul Plotkowski's address to BE students

Our Vision

To become an academy of excellence in technical education and human resource development in rural area.

Our Mission

- To develop engineering professionals of high reput with sound work and life ethics.
- To use information technology in meeting challenge of paucity of high quality teaching talent.
- To strive hard for good academic results and placement of engineering professionals.
- To develop collaborative interactions with industries and national laboratories.
- To pursue Research and Development to meet the rural needs.

Training and Placement Activities

The T&P Cell is very vibrant under the TP Officer Prof. G. V. Mulgund and Mr. Digvijay Patil. During the Year 2008-09 over 70 companies have assisted the college for Placement Activity either by visiting or recruiting the students in the pool campus. The concept of 'Lead and Cluster College' by the S.U. Kolhapur really boosted in increasing the students placements. Many Training Activities like INFOSYS CAMPUS Connect, WIPRO Mission 10X, SPARK Infosys Visit, Group Discussion, Personality Development and the like were also conducted. The short summary of placements in the year '08-'09 is as under ;
