TKIET

**Report**

Civil Engineering Department of TKIET successfully organized joint one day “**Workshop to Define Scope of S.Y. B Tech Syllabus and T.Y. B. Tech. C.B.C.S. Syllabus Setting of Civil Engineering**” on Friday, 17<sup>th</sup> January 2020; in collaborations with Shivaji University, Kolhapur.

43 faculty members from 9 Engineering Institutes affiliated to Shivaji University contributed their experience and knowledge to define scope of S.Y. B.Tech Civil engineering and to design syllabus of T.Y. B.Tech Civil Engineering. An industrial expert from Ultratech Cement imparted rigorous suggestions and corrections, based on field requirements.

Workshop was inaugurated by the hands of Dr.G.M.Malu, Member, Board of Studies for Civil Engineering, Shivaji University and Mr. Mahesh Kole Sir, Territory Technical Services Manager, Ultratech Cement, Kolhapur Region by Lighting of lamp, in presence of Dr.S.V.Anekar, Principal, TKIET, Warananagar, Prof.L.B.Patkure, Head Civil Dept, Prof.M.J.Patil, Head of Civil Dept, DYPCET Kolhapur, Prof.Abhijeet Zende, Head, DACOE,Karad, Prof.Jagdish Lambe, Head, JJMCOE, Jaysingpur, Prof. V.S.Kadam, Head, Civil Dept, BVCOE, Kolhapur, along with faculty members from other affiliated institutes.

Workshop was conducted in two sessions. In morning session, experts from respective subject group gathered together and after deliberations finalized draft copy of each subject. In afternoon session, respective faculty members presented draft syllabus in from of BOS member Dr.G.M.Malu sir and Industrial Expert Mr. Mahesh Kole sir and other faculty members.

All teaching and non teaching staff members from our department taken hard efforts for well planned conduction and successful completion of workshop.
