“Three Days Student’s Technical Enhancement Program on *Total Station, DGPS and Digital Auto Level*”

Date: 12th Feb to 14th Feb. 2020

Resource Person: Er. Abhijeet Chavan (Director, Total Tech. Kolhapur)

Participants: 38 Nos. (BE Civil and TE Civil)

Venue: TKIET, Campus

Department of Civil Engineering in Collaboration with Lead College Activity, Shivaji University Kolhapur organized **“Three Days Student’s Technical Enhancement Program on *Total Station, DGPS and Digital Auto Level*”**. This Program started with Inaugural Ceremony with the presence of Head of the Dept. Prof. L.B. Patkure, Lead College Activity Coordinator Prof. R.V. Kajave, Academic Coordinator Dr. D.M Patil and Resource Person Er. Abhijeet Chavan. The Program was effectively held by Coordinator Prof. Imran A. Mursal and Co-Coordinator Prof. R.R. Chandanshive.

The first session of workshop was started with basic fundamentals and practical demonstration of the Advanced Instruments used now days in Surveying. Next two days, Hands-on practice and understanding the Handling, Operating of Advanced Instruments like Total Station, DGPS and Digital Auto Levels practical applications were conducted. Each and every participant handled all the instruments personally. All the participants got tremendous information and importance of Digital Instruments in surveying field. This program was very interactive, fruitful, constructive and personal Hands-on practice for all 38 no. of students of BE and TE Civil 2020.
