

Admission Policy

Mode of selection of Students (Effective from A. Y. 2020-21)

1. Student Selection

All the online admission process is handled by Directorate of Technical Education, Maharashtra, Admission Regulating authority, Mumbai and State Common Entrance Test Cell, Mumbai including conduction of the Maharashtra State Common Entrance Test (MHT CET) for Engineering and Technology admission, declaration of CET result, online registration for admission process, document verification, preparation of the merit list, conduction of CAP round, allotment of seats as well as confirmation of admission and commencement of classes.

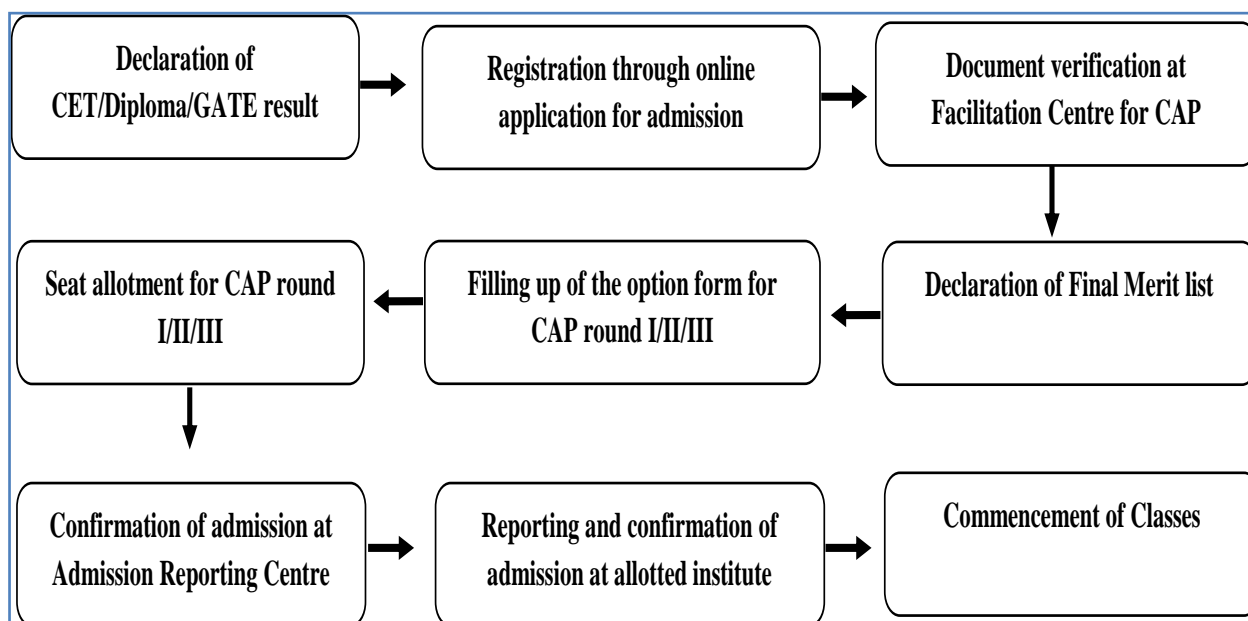

Directorate of Technical Education (DTE), is working as governing authority of Government of Maharashtra, announces Engineering and Technology admission process by publishing notification on their website (www.dtemaharashtra.gov.in) and in different leading Newspapers.

Also college participates in educational fairs organized by different agencies to provide necessary information regarding institute courses and intake capacity, admission programmes, changes in admission process, government scholarships and documents required for such admissions through the institute prospectus and power point presentation to aspirant students.

DTE, Mumbai, works as a governing authority of Centralized Admission Process (CAP) of Engineering and Technology admission. The notification regarding admission process and important dates of various stages of admission are announced by DTE and published on their website as well as in leading newspapers.

For first year engineering, Direct Second Year Engineering and Master degree admissions, institute participates in Centralized Admission Process undertaken by DTE, Maharashtra.

Engineering and Technology Centralized Admission Process
