TATYASAHEB KORE INSTITUTE OF ENGINEERING AND TECHNOLOGY

Tal – Panhala, Dist – Kolhapur, Pin – 416113

Date:-28/09/2021

Policies for Promoting Research Activities

The Institute follows a unique policy to reward the faculty / students for carrying out Research and Consultancy works in the respective year. This policy is introduced by the Management to impart research culture in the Institute. The objective of this policy is to motivate faculty as well as students to explore innovative ideas.

1) Policies for Publications:

Research articles can be published in journals or conferences. Policies for publications in journal and conference are as follows.

A) Journals:

Faculty and students are encouraged to publish articles in reputed and unpaid journals as well as to publish joint research articles with experts from Tier-1 Institutions / Industries. Faculty and students are eligible for reward or reimbursement of registration fees if following criteria are satisfied.

- Author should specifically mention affiliation to both 'Tatyasaheb Kore Institute of Engineering & Technology, Warananagar' and 'Shivaji University, Kolhapur'.
- Journal name should be listed in UGC approved Journal list or Science Citation Indexed (SCI) Journals or Scopus Indexed Journals.

Sr. No.	Norms	Reward
1	For first author	Rs. 2,000
2	For second author	Rs. 700
3	Text / Reference book published by an international publisher with peer review system	Rs. 2,000
4	Chapter / Article published in a book by an international publisher with peer review system	Rs. 700

B) Conferences:

Faculty and students are encouraged to attend national and international conferences every year. Faculty and students are eligible for TA / DA and reimbursement of registration fees if following criteria are satisfied.

- Author should specifically mention affiliation to both 'Tatyasaheb Kore Institute of Engineering & Technology, Warananagar' and 'Shivaji University, Kolhapur'.

- Conference proceeding should be published in **Science Citation Indexed (SCI) Journals** or **Scopus Indexed Journals**.
- Faculty / student can attend such conferences once in a calendar year.

Sr. No.	Type of conference	Reward
1	National conference	Rs. 3,000/-
2	International conference	Rs. 4,000/-

2) Policies for filing Patents:

Faculty and students are encouraged to apply for patents based on their innovative ideas and projects. Institute is ready to bear full expenditure provided that patent is jointly owned by TKIET, Warananagar and Principle Investigator.

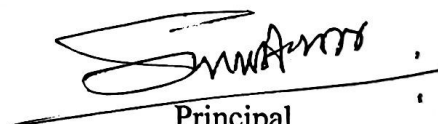

3) Policies for Student Projects:

UG / PG students are encouraged to pursue innovative ideas for their final year projects and participate in national / international level competitions. Financial support will be provided for promising projects.

- Students will have to submit proposals to respective department. Proposals will be selected by departmental scrutiny committee based on merit. The selected project from every department will receive reward of Rs. 2,000/-.
- Based on recommendation of departmental scrutiny committee, the financial support i.e. TA/DA and other allied expenses maximum up to Rs. 2,000/- will be sanctioned for student's participation in national / international level competitions.
