## Proposed Events in Academic Year - 2024-2025

Sr. No.	Name of the Event	Month	Event Coordinators
1	FESA Committee Formation	1st Week, Oct. 2024	HoD, F.Y.B Tech Chief Coordinator, Faculty Advisor & Class Coordinators
2	Teachers day Celebration	1st Week, Sept. 2024	Dr. Mark Monis, Mr. G. B. Kamble & Mr. K. M. Patil
3	Elocution Competition in English	2nd Week, Oct. 2024	Dr. Mark Monis & Mr. Samadhan Jadhav
4	Technical Quiz Competition	3rd Week, Oct. 2024	Dr. Mark Monis & Mr. K. M. Patil
5	FESA Inauguration Function & Guest Lecture	4th Week Oct. 2024	HoD, F.Y.B Tech Chief Coordinator, Dr. Mark Monis, Dr. A. V. Patil & F. Y. B. Tech Faculty
6	English Essay writing Competition (Creative Writing)	1st Week, Nov. 2024	Mr. Samadhan Jadhav, Mr. K. M. Patil, Dr. Mark Monis & Mr. G. B. Kamble,
7	Creative Writing (Poem) Competition (English & Marathi)	2nd Week, Nov. 2024	Mr. Samadhan Jadhav, Mr. K. M. Patil, Dr. Mark Monis & Mr. G. B. Kamble,
8	Photography Competition	3rd Week Nov. 2024	Dr. Mrs. S. B. Patil, Mrs. J. M. Khade Dr. Mark Monis & Mr. D. S. Mane
<b>SEMESTER - II</b>			
9	Guest Lecture on Life & Career development	2nd Week, Feb. 2024	Mr. Gurudatta Joglekar, HoD, F.Y.B Tech Chief Coordinator, Dr. Mark Monis, Dr. A. V. Patil, Mr. K. M. Patil
10	Aptitude/ General Knowledge Test	1st Week, April 2024	Mr. S. N. Shelke, Mr. B. D. Potdar & Dr. Mark Monis
11	Poster & Rangoli Competition	2nd Week, Feb. 2024	Dr. (Mrs.) S. B Patil, Prof J. M. Khade, Dr. Mark Monis
12	Galactic Fusion E-Sport Championship 2024	3rd Week, Feb. 2024	Mr. Tanishq Kotmale Avadhut B. Salunkhe, Om S. Sakunde, Rajkiran R. Shinde, Dr. Mark Monis
13	Group Discussion	1st Week, March. 2024	Dr. Mark Monis & Mr. G. B. Kamble, Mr. K. M. Patil & Mr. Samadhan Jadhav
14	Debate Competition	2nd Week, March. 2024	Mr. G. B. Kamble, Dr. Mark Monis, Mr. K. M. Patil & Mr. Samadhan Jadhav
15	Valedictory Function	2nd Week, April 2023	HoD, F.Y.B Tech Chief Coordinator, Dr. Mark Monis, Dr. A. V. Patil & F. Y. B. Tech Faculty

# **The inaugural function of the First-Year Engineering Students Association (FESA)**

## **Guest lecture by RJ Ms. Priyanka & Mr. Sangram Kulkarni**

Time – 02:15 pm to 04:15 pm

Date – 28<sup>th</sup> Nov, 2024

Venue - Dr. Vinayraoji Kore Saunskrutik Hall

Speakers – RJ Ms. Priyanka & Mr. Sangram Kulkarni, Radio FM, Kolhapur

The inaugural function began with the lighting of lamp at the gracious hands of Hon. Dr. D. N. Mane, Dr. S. M. Pise, Dr. P. J. Patil, Radio Jockey Ms. Priyanka and Mr. Sangram Kulkarni Dr. A. V. Patil, FESA faculty Advisor Dr. Mark Monis, FESA student Presidents Mr. Avadhut Shinde Omkar Sanjay and FESA student Vice President Ms. Sankpal Dhanashri Chandrakant. Radio Jockey Ms. Priyanka and Mr. Sangram Kulkarni added vibrant energy to the inaugural function of the First-Year Engineering Students Association. Their lively and engaging hosting skills kept the audience entertained throughout the event. With their witty banter and seamless interaction, they created a fun and dynamic atmosphere, setting the perfect tone for the occasion. The duo's charismatic presence and enthusiasm were key highlights, ensuring that the event was both memorable and enjoyable for all the attendees.

## **Teachers Day Celebration**

**Name of Activity Conducted:** Teacher's Day Celebration

**Date and Time:** 5<sup>th</sup> September, 2024 (3.30 pm)

**Type of Activity:** Teacher's Day Celebration

**Target audience/ participants:** First Year B.Tech. Students

**Theme of activity:** Teacher's Day Celebration

**Name of chief guest(s):** Dr. D. N. Mane, principal, Dr. S. M. Pise Dean, SETM

**Summary of Activity:** First Year Engineering Students' celebrated Teacher's day on 5th September on the occasion of birthday of Dr. Sarvapalli Radhakrishnan. The function was graced by Dr. D. N. Mane, Principal, Dr. S. M. Pise Dean, SETM, Dr. P. J. Patil, HoD FY B Tech, Dr. Mark Monis FESA faculty Advisor, Dr. A. V. Patil and all the teaching staff. All ASH faculty and first year engineering students were present. The event began with the garlanding of portrait at the hands Dr. D. N. Mane, Principal, Dr. S. M. Pise Dean, SETM followed by felicitation of all teachers. There after a few students in their speeches highlighted the importance and role of teachers in their lives in all three languages i.e. Marathi, Hindi English. Dr. P. J. Patil, HoD, Dr. S. M. Pise Dean, SETM , shared their views on the past and present day education system and the importance of teachers day celebration. Similarly Hon. Dr. D. N. Mane, Principal highlighted the growth of TKIET as we celebrate 41<sup>st</sup> Foundation day of the institute together with the teachers day celebration. The students also organized a few entertaining games for the teachers, followed by Vote of thanks proposed by Miss. Shravani. The event was anchored by students Miss Sharvari and Mr. Ritesh. Samradhani. The event was coordianted by Dr. Mark Monis FESA faculty Advisor of with the guidance of Dr. P J Patil HoD. Dr Mark Monis helped the volunteers in arranging the function. Faculty members graced the function by their presence.

## Event on Plastic Free Campus

A plastic-free campus is an environmentally conscious initiative aimed at reducing and ultimately eliminating the use of single-use plastics within educational institutions. By promoting sustainable alternatives like reusable water bottles, cloth bags, and biodegradable packaging, such campuses foster a culture of environmental responsibility among students and staff. Implementing a plastic-free policy not only helps decrease plastic pollution but also raises awareness about the harmful effects of plastic on ecosystems and human health. These efforts contribute to a cleaner, greener campus environment and inspire the wider community to adopt more eco-friendly practices. This event was organized by F.Y. B. Tech on 8<sup>th</sup> October 2024. Several students and faculty took part in the event.

## **The Cultural Event, Organized by First Year Engineering Student Association (FESA)**

**Date: 28th November 2024**

**Venue: TKIET Campus**

**Participants: 30 First-Year B.Tech Students**

The Cultural Event, organized by FESA on **28th November 2024**, provided an exciting platform for 30 first-year students to showcase their creativity and talent. The event aimed to build students' confidence, encourage self-expression, and develop presentation skills in a vibrant, supportive environment.

Event Highlights:

- **Dances:** Enthralling solo and group performances across various dance styles captivated the audience.
- **Music:** Participants performed soulful songs and energetic numbers, leaving the crowd engaged and entertained.
- **Comedy Acts:** Humorous skits and comic acts added a fun-filled atmosphere, creating moments of joy and laughter.
- **Impersonations & Skits:** Creative mimicry and skit performances showcased students' theatrical skills and wit.
- **Poetry:** Heartfelt poetry and expressive verses added emotional and cultural richness to the event.

The cultural event was a celebration of talent and expression, reinforcing FESA's commitment to holistic student development. It concluded on a high note, with participants and spectators alike cherishing the vibrant display of artistic spirit.

## Elocution Competition

The Elocution competition, organized by the First Year Engineering Student Association (FESA), took place at the TKIET campus on **11th February 2025**. The event showcased intense competition in English language. With the support and coordination of various faculty members and officials, the competition witnessed 10 enthusiastic participations. The purpose of this Elocution Competition is to provide a platform for students to showcase their public speaking skills, build confidence in expressing their thoughts and opinions, and develop effective communication skills. This competition aims to foster critical thinking, creativity, self-expression among participants, to encourage students to speak up, share their ideas, and showcase their talents. We want to help students build confidence in public speaking, develop their communication skills, and have fun while doing it.

The event was graced by the esteemed presence of Dr. P. J. Patil HOD, Prof. D. S. Mane, the judges for this competition Prof. K. D. Joshi & Prof. M. S. Kamat and Dr. Marku Monis FESA advisor and Teachers event co-ordinator Dr. Samadhan Jadhav. Their presence and support added to the ambiance of the event, encouraging participants and contributing to the overall success of the competition.

Dr. Marku Monis & Dr. Samadhan Jadhav played a pivotal role in the success of the event, and all FESA members with their relentless efforts, coordination and support made the Elocution Competition a resounding success

**Following are the Subjects for the Competition:**

1. Social Media and Today's Youth
2. Women Empowerment
3. Save Environment... Save Life
4. Artificial Intelligence
5. Global Warming
6. Role of Youth in Democracy

## **Creative Writing Competition: 20 February 2025**

### **1. English Poem Writing Competition :**

Poetry writing helps people discover who they are. It helps individuals stay in tune with their thoughts and feelings. Through writing, a person can find out more about their personality, likes and dislikes; passions and interests. Poetry is also a good way to express opinions on certain issue.

Hence creative poem writing competition was organized on 20th February 2025. All together around **015** students took part. The winners are:

### **2. English Story Writing Competition (Creative Writing):**

Story Writing is a fictional writing method that is written in a simpler way and has its own natural flow. Story Writing covers five elements: Character (Crucially a Protagonist and Antagonist), Setting, Plot, Conflict, and Theme. It helps in improving imagination power, expression and flow of thoughts.

Hence creative story writing competition was organized on 20th February 2025. All together around **16** students took part. The winners are:

### **3. English Essay Writing Competition (Creative Writing):**

Essay writing promotes critical thinking whereby one can reflect on an issue and reach a conclusion. It pushes students to assess different arguments so that they can come up with stronger positions. Through critical thinking, students learn how to observe different perspectives and views.

Hence creative essay writing competition in English was organized on 20th February 2025. All together around **13** students took part. The winners are:

## **Guest Lecture on Career and Skill Development**

Date & Time: 17th January 2024

Topic: Awareness about the Importance of Career and Skill Development

Target Audience: First Year B.Tech Students

**Resource person: Dr. Suhas Pakhare (B.Com., M.B.A.)**

The Department of Applied Sciences and Humanities, under FESA, organized a guest lecture to highlight the importance of career and skill development for first-year students. Dr. Suhas Pakhare delivered an inspiring session, sharing his journey from a small village in Solapur to working in top MNCs.

He emphasized key values such as honesty, sincerity, loyalty, and a strong work ethic. Dr. Pakhare encouraged students to maintain regular attendance, focus on communication and personality development, and take academics seriously. He stressed the importance of CGPA, not relying solely on Google, and making use of libraries and faculty support.

Around 140 students attended the session. Dr. Mark Monis introduced the guest, Dr. P. J. Patil coordinated the event, and student Ms. Vaishnavi proposed the vote of thanks. The session concluded with the motivational line: “People praise you, people raise you.”

## **eSports Tournament at TKIET Campus**

**Date:** 6th March 2025

**Organized by:** First Year Engineering Student Association (FESA)

The **FESA eSports Challenge 2025**, held on **6th March 2025** at the **TKIET campus**, was a thrilling and vibrant event that brought together over **50 enthusiastic participants** from First Year B.Tech programs. The tournament was designed not only to entertain but also to enhance vital skills such as **strategic thinking, problem-solving, and teamwork**, all within a stress-free yet competitive digital environment.

The primary objective of the tournament was to integrate **gaming culture** with the **academic journey** of students, fostering a balance between recreation and intellectual growth. By promoting healthy competition and digital engagement, the event aimed to build **camaraderie** and a **sense of community** among the students.

### **Competition Highlights**

- The tournament featured popular multiplayer games that encouraged **quick thinking, decision-making under pressure, and team coordination**.
- Participants demonstrated high levels of **focus, discipline, and sportsmanship** throughout the event.
- The matches were closely contested, showcasing a mix of **technical skills and tactical excellence**.
- The event was supported by faculty and student volunteers, ensuring smooth coordination and enthusiastic participation.

## Games Featured

- BGMI (Battlegrounds Mobile India):

A squad-based battle royale game that tested team coordination and survival instincts.

- Free Fire: A high-intensity shooter where speed and precision determined victory.
- Subway Surfers: A solo endurance game rewarding focus and reflexes, ideal for casual and competitive players alike.

## Format and Structure

- BGMI & Free Fire:

- ✓ 4-player squads
- ✓ Knockout rounds followed by semi-finals and finals
- ✓ Scoring based on kills and placement

- Subway Surfers:

- ✓ Solo performance
- ✓ Best scores within a limited time window were considered for ranking

## Winners List

### ❖ BGMI ( Squad )

- 936 - Soham Kumbhar
- 515 - Shridhar Dongare
- 1057 - Atharv Patil
- 539 - Milind Madhukar \

### ❖ Free Fire ( Squad )

- 609 - Harshad Bondage
- 610 - Shivam Chipade
- 709 - Pruthiviraj Chavan
- 722 - Prasad Gurav

### ❖ Subway Surfers

- Namrata Sujit Jadhav

## **TECHNICAL-QUIZ COMPETITION**

The Technical Quiz Competition, organized by FESA, was held on **19th December 2024** and saw active participation from over 30 students. The event aimed to enhance technical knowledge and foster a healthy competitive spirit among first-year engineering students.

The competition was conducted in two rounds – an elimination round followed by a digitally organized final round. Only five teams advanced to the finals, making it an intense and engaging contest. The event was graced by Dr. Marku Monis, FESA Advisor, whose presence and guidance significantly contributed to the success of the event. FESA extends sincere thanks to Dr. Monis and all faculty and student coordinators for their support and efforts. The event concluded on a high note, and the team looks forward to organizing more such enriching competitions in the future.

## **Mobile Photography Competition (5th February 2025)**

The **Faculty of Engineering Student Association (FESA)** organized a **Mobile Photography Competition** for First-Year B.Tech students in the academic year 2024–25. The event aimed to promote creativity and artistic expression using mobile phones, with students capturing unique views of the **TKIET campus**.

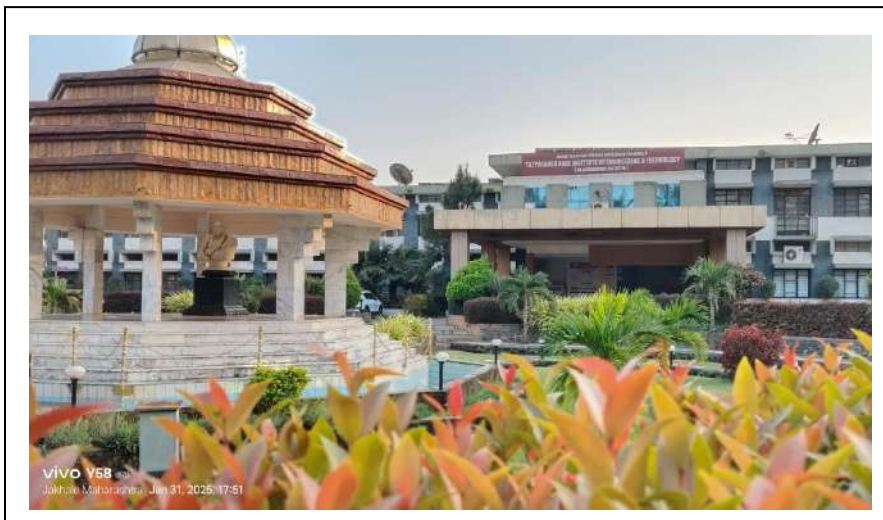

Coordinated by student leaders **Mr. Anish Amol Charankar** and **Ms. Kasturi Shashikant Pethkar**, along with faculty coordinators **Mr. Milind S. Kamat** and **Mr. Aniket S. Todkar**, the competition was successfully conducted under the guidance of **Dr. Mark Monis** (Faculty Advisor) and **Dr. P. J. Patil** (HoD, Applied Sciences & Humanities).

Students submitted their geo-tagged campus photos via a Google Form by **5th February 2025**. A total of **30 students** participated, showcasing their creativity and perspective through mobile

photography. The event promoted inclusivity and encouraged students to engage with their surroundings in a creative and meaningful way.

The winners demonstrated exceptional skill in capturing captivating images of the college campus, reflecting both the beauty of the environment and their creativity. The Mobile Photography Competition successfully provided a platform for students to engage with their surroundings and express themselves through the art of photography.

## **Group Discussion Competition held on 6th May 2025**

The FESA Group Discussion Forum 2025 was successfully held on **6th May 2025**, providing an enriching platform for First-Year engineering students to enhance their communication skills, critical thinking, and confidence. With over 60 participants, the event fostered a competitive yet collaborative atmosphere where students engaged in thoughtful conversations on socially and technically relevant issues.

The competition aimed to simulate real-world scenarios such as job interviews, team meetings, and public speaking engagements. It provided students the opportunity to improve articulation, develop logical reasoning, and practice respectful disagreement — essential skills for future engineers.

### Event Structure

Group Size: 6–8 students per group

Format: Each group was assigned one of the following thought-provoking topics:

- ✓ Global Warming
- ✓ Impact of Social Media on Youth
- ✓ Books vs Internet
- ✓ Issues of Unemployment: Causes and Remedies
- ✓ Importance of English Communication Skills for Engineers
- ✓ India as a Superpower and the Role of Engineers
- ✓ Present Indian Education System
- ✓ Artificial Intelligence and Career as an Engineer

### Judging Panel and Acknowledgements

The event was assessed by a distinguished panel:

Prof. K. D. Joshi, Prof. M. S. Kamat

With valuable guidance and support from:

Dr. Marku Monis, FESA Advisor, Prof. G. B. Kamble, Dr. S. M. Jadhav

Their involvement added immense value to the event, ensuring fairness, encouraging feedback, and overall success. The FESA Group Discussion Forum 2025 proved to be an effective platform for developing essential soft skills among engineering students. Through structured discussions and expert evaluation, the participants gained confidence, improved their analytical thinking, and learned to engage constructively. FESA extends sincere thanks to all judges, faculty members, and

participants for making the event a resounding success. Future editions are anticipated with even greater participation and impact.

### **Participation in Blood Donation Camp By FESA students**

Students from the First Year Engineering Student Association (FESA) actively participated in the Blood Donation Camp organized at the TKIET campus, demonstrating a strong sense of social responsibility and compassion. Their enthusiastic involvement reflected their commitment to community service and awareness of the importance of voluntary blood donation. By contributing to this noble cause, FESA students not only helped save lives but also inspired their peers to take part in such humanitarian efforts. The event served as a valuable experience, fostering a spirit of empathy, unity, and civic duty among the budding engineers.

#### **4. Debate Competition held on 23/02/2025**

First Year Engineering Students' Association had organized Debate competition for First Year B.Tech students on 23/02/2025 to develop their argumentative and convincing skills. Debate provides an opportunity to form balanced, informed arguments, counter arguments and to use reasoning and factual evidences. Hence, students develop effective speech composition and delivery in an atmosphere of encouraging teamwork. One group from every division with maximum eight students in each group participated in this competition. Those 8 students were further divided in to four each, speaking in favour and against the given subject of debate

respectively. If more than 8 students interested to participate from each division, then with a preliminary round, the best one group of 8 students from every 6 divisions were selected for the competition. Students of all divisions from participated in this competition and gained maximum knowledge and experience from this competition. The event was well organized by Mr. Krishnath Patil and Dr. Mark Monis along with student event coordinators Winner groups from this competition were awarded by cash prize and certificate of excellence during Valedictory function of First Year Engineering Students Association.

### **Valedictory Function for AY 2024 - 2025**

Valedictory function of First Year Engineering Students' Association (FESA) was organized on 13th May, 2025. More than 400 students were present for the function and became witness to the prize distribution ceremony. The Valedictory function was graced by the Chief Guest, Hon. Mr. Rajkumar Sitaram Patil CEO, Kirloskar Kenya Pvt. Ltd., in the cheerful presence of Dr. D. N. Mane Incharge Principal, Dr. S. M. Pise Dean SETM, Dr. P. J. Patil, F.Y. B. Tech HoD, Prof. D. S. Mane, Academic Coordinator Dr, Mark Monis and Dr. A. V. Patil, FESA faculty advisers. The event was well coordinated by Dr. Mark Monis and Dr. A. V. Patil with the help of Student members and volunteers. During the function the students who won the competitions, were awarded with a merit certificates and a cash prize. The students enthusiastically expressed their joy for being felicitated by the College for the events they participated in. Ms. Vaishnavi H. Patil (142) Mr. Pruthviraj A. Bhosale ((904) welcomed the gathering and **Ms. Sanchita S. Patil (1349)**, FESA Vice President, proposed the Vote of Thanks for the function.

I, the FESA advisor, on behalf of FESA committee members, sincerely thank the Management, Principal, FE Chief Co-coordinator, FE Teachers and students for all their support, cooperation and assistance in planning, organizing and smooth conduction of various activities and events where students have been enhanced in their career building and personality development.

## **FESA Valedictory & Prize distribution Function**

**Date: Tuesday, 13<sup>th</sup> May, 2025**

**Time: 1:30 PM**

**Venue: New Seminar Hall (Chemical Dept.)**

### **SCHEDULE OF THE FUNCTION**

❖	Welcome & Invocation	05 min	<b>Ms. Vaishnavi H. Patil (142)</b> <b>Mr. Pruthviraj A. Bhosale ((904)</b>
