Important Instructions for Students

1 Student must arrive at the examination building at least 15 minutes before the start of the examination.

2 Students should bring hall ticket and ID-Card both during the examination. Students will not be allowed to enter the examination hall without these.

3 If a student has misplaced/lost his/her hall tickets then he/she is required to obtain a duplicate hall ticket.

4 Students are permitted to use only blue ink pens for writing examinations.

6 If support material, other than that which is specifically permitted, is found at or by the desk, it may be treated as an attempt to cheat and relevant procedures for cheating will be followed.

7 Students are informed that they can be checked for any copy materials and if found during the examination then it will be treated as use of unfair means.

8 Students are required to bring their own materials needed for the examination. No student will be allowed to borrow any materials from any other student during the examination.

9 Students cannot take any supplements or answer booklet outside the examination hall. This can lead to debarment or cancellation of their examination.

10 Student found to misbehaving in the examination hall can be asked to leave the examination hall and they will be required to bring their parent/guardian for their next examination to be allowed to

11 Once student submitted his/her answer papers to the block supervisor then it will not be given back to them once he/she has left the block.

12 A candidate whose name is not in the list of candidates must contact the main invigilator in the exam room.

13 If a candidate is found talking to another candidate or person inside or outside the examination hall without permission even after a warning before, his answer book for that particular paper shall be
